PROFESSIONAL SUMMARY

Computer Science and Engineering student with hands-on experience building full-stack web applications and exploring AI/agent technologies. Skilled in Python, Java, C/C++, and modern web development (React, HTML, CSS, SQL). Passionate about solving real-world problems through software development, automation, and applied AI.

TECHNICAL SKILLS

- Programming Languages: C, C++, Java, Python, PHP
- Web Development: HTML, CSS, React JS, Full-Stack Development
- Databases: SQL
- AI & Emerging Tech: Generative AI, Agentic AI, Prompt Engineering
- Tools & Practices: CI/CD, UI/UX Design, Power BI, Game Development
- Core Competencies: Problem Solving, Software Development Lifecycle

ACADEMIC PROJECTS

TV Shop Management System

2025 – Present

Full-Stack Web Application

- Developed a full-stack TV shop management system to handle sales, inventory, and customer management.
- Implemented billing, payment tracking, and automated invoice generation features.
- Designed a user-friendly interface and integrated database management for reliable record keeping.
- Improved shop operations efficiency through digital record keeping and process automation.

Pharmacy (Pharma Shop) Management System

Web-Based Application

- Built a web-based pharmacy management system to manage medicine inventory, billing, and sales records.
- Automated stock tracking to reduce manual errors and improve operational efficiency.

DORA – AI Virtual Assistant

AI/Agentic Application

- Developing an AI-powered virtual assistant to automate tasks and improve user productivity.
- Implementing intelligent conversation, voice interaction, and personalized user assistance using NLP.

Campus Learn – Student ERP System

Full-Stack Web Application

- Built a student ERP module for managing attendance, results, and academic records.
- Streamlined student-faculty communication with a centralized, easy-to-use dashboard.

EDUCATION

Sanjay Ghodawat University, Kolhapur

2023 – 2027

Bachelor of Technology (B.Tech), Computer Science and Engineering — Kolhapur, Maharashtra

INTI International University, Malaysia

08/2025 – 12/2025

Bachelor of Technology (B.Tech), Computer Science (Honours) — Nilai, Negeri Sembilan (Exchange Program);
Academic Score: 75.80%
